# You Hold A Special Place In My Heart!

---

In every life there are special people who bring us joy, comfort, love and understanding. A living memorial gift is the perfect way to proclaim just how much you appreciate them. Your gift of remembrance or honor will be acknowledged to them and recorded in our Album of Living Memorials and Honors.

What's more, you'll delight in knowing that your gift will keep on giving as it's used to disciple others – showing them God's joy, comfort, love and understanding.

Simply fill out this coupon and enclose it with your mailed gift.
